"Solar Energy Monitor and Educational Display"

Being developed by student research, this project is a work in progress.

The goal is to educate and create awareness about the Solar Energy Arrays on Campus.

Funded by the Student Green Fee and the Clean Energy Committee.

In part supported by Professor E. J. Zita PhD., TESC Office of Sustainability, and the student group Greener Future. Created by N. Diems H.-R. and Matt Booth.
SAVE THE EARTH
IT'S THE ONLY PLANET WITH BEER
Thank you all
